Background

Majority of practice consists of representing clients in all manner of commercial and business disputes with an emphasis on large complex litigation. Represents a broad spectrum of clients including individuals to large publicly traded companies. Significant experience with complex disputes involving contracts, fraud, employment agreements, trade secrets, covenants not to compete, construction, real estate, leases, mineral interests, oil & gas, insurance coverage, personal injury, products liability, and health care. Has obtained favorable verdicts, arbitration awards, and settlements on behalf of clients and successfully defended clients against multimillion dollar claims. In addition, represents clients as outside general counsel on various matters and in connection with certain transactions and contracts.

Career Highlights

Represented the City of Fort Worth in connection with pursuing claims against developers and street and utility contractors related to premature street failures. Involved several subdivision and large damages. Obtained favorable settlements.

Represented a national and publicly traded physician practice management company, in a dispute with physicians that violated their covenants not to compete and attempted to misappropriate a medical practice. Received a favorable arbitration award that restored the business to my client and recovered millions in damages.

Represented national pharmacy transaction management software company in defense of multi-million dollar claims involving breach of an acquisition agreement, non-compete issues and tortious interference. Obtained a favorable verdict after a four week trial.
