Background

Clark Cowley has over 30 years' experience advising companies, small businesses, entrepreneurs, and individuals in copyright, trademark, and other Intellectual Property matters. He enjoys working with the creative and innovative side of business, as well as being involved early in the process to better protect creative works, and he seeks practical business solutions when possible.

His experience encompasses assisting clients in the United States and abroad in a wide range of industries and professions; these include furniture and home decorative accessories, athletic and equestrian products and services, Christian ministries, computer technology, education and entertainment, energy services, financial services, healthcare, and hospitality services.
